### September 2025

The commission **acknowledged** the report providing evidence of

- Updated Details tab in Program Management Portal

No further information requested.

### June 2025 (following Provisional Monitoring review)

Accreditation-Provisional; Program demonstrates continued progress in complying with the *Standards* as it prepares for the graduation of the first class of students. The commission noted 6 areas of noncompliance with the *Standards*.

Next Comprehensive Evaluation: July 2027 (Final Provisional). Maximum class size: 25.

Report due August 22, 2025:

- Update Details tab in Program Management Portal.

Report due October 24, 2025 (*Standards*, 5<sup>th</sup> edition):

- **Standard A3.14** (lacked evidence the program makes student admission decisions in accordance with clearly defined and published practices of the institution and program.)
- **Standard B1.03e** (lacked evidence that for each didactic and clinical course [including required and elective rotations], the program defines and publishes for students in syllabi or appendix to the syllabi, learning outcomes and instructional objectives, in measurable terms that can be assessed, that guide student acquisition of required competencies)
- **Standard B3.06a** (lacked evidence supervised clinical practice experiences occur with physicians who are specialty board certified in their area of instruction)
- **Standard B4.01a** (lacked evidence the program conducts frequent, objective and documented evaluations of student performance in meeting the program's learning outcomes and instructional objectives for both didactic and supervised clinical practice experience components and that align with what is expected and taught)
- **Standard B4.01b** (lacked evidence the program conducts frequent, objective and documented evaluations of student performance in meeting the program's learning outcomes and instructional objectives for both didactic and supervised clinical practice experience components and that allow the program to identify and address any student deficiencies in a timely manner)

No report due (the program will submit a Self-Study report with its final provisional application):

- **Standard C1.03** (lacked evidence the program prepares a self-study report as part of the application for accreditation that accurately and succinctly documents the process, application and results of ongoing program self-assessment)

### March 2023

The commission **accepted** the report addressing 5<sup>th</sup> edition

- **Standard B4.01b** (provided evidence of student assessment in the supervised clinical practice experience components that will b) allow the program to identify and address any student deficiencies in a timely manner).

No further information requested.

### June 2022

## Meharry Medical College Accreditation History

First accredited: June 2022

Next review: July 2027

Maximum class size: 25

Page 2 of 2

Accreditation-Provisional; Program has not yet enrolled students but plans and resource allocation, if fully implemented as planned, demonstrate the probability to meet the ARC-PA *Standards*. Next Comprehensive Evaluation: June 2025 (Provisional Monitoring). The program is approved for up to 25 students.

Report due August 8, 2022 (*Standards*, 5<sup>th</sup> edition) -

- **Standard B4.01b** (lacked evidence of student assessment in the supervised clinical practice experience components that will b) allow the program to identify and address any student deficiencies in a timely manner).

No report due for the following citation(s) (commission expects program to submit all reports and documents as required by the ARC-PA with the initial submission):

- **Standard A3.11** (lacked evidence the website accurately reflects the program offered; corrected during the site visit) and
- **Standard A3.13a** (lacked evidence of defined, published, consistently applied and made readily available to prospective students, policies and procedures to include a) admission and enrollment practices that favor specified individuals or groups; corrected subsequent to visit).
