Clinical Postgraduate PA Programs
Sample 10 Year Accreditation Cost Estimate
(By year for a program applying in 2012).

Important Note: This estimate is based on fees as of 1.2012. The ARC-PA reviews fees annually and it is likely that some of the fees will increase in the 10 year period. Fees which have increased since 2007 are in red.

The administrative review fee is due each time the program application must have its application reviewed. This is usually more than once.
