Lock Haven University
Accreditation History

First accredited: October 1997
Next review: September 2027
Maximum class size: 72 (includes main campus and 3 distant campuses)
Page 1 of 2

June 2018
The commission accepted the additional information on standard A2.18 (4th edition). No further information requested.

March 2018

The commission acknowledged the updates to the website and portal. No further information requested.

September 2017

September 2017 (July Meeting)
The program received an alert through the Program Management Portal that the number of students exceeded the maximum entering class size. The program submitted the required Exceeding Class Size report. The commission accepted the report. No further information requested.

March 2014
The commission accepted the report regarding the updated website and standards B3.07d-f (4th edition).

September 2013
The commission accepted the report addressing standards B3.02, B3.03a, b, d, B3.04b and B3.07d-f (4th edition). Additional information (update website link to PANCE pass rate data and standards B3.07d-f; 4th edition) due October 31, 2013.

September 2012

September 2009
Program Change: Expansion to a distant site (two distant sites, one in Coudersport, PA and the other in Harrisburg, PA). The commission approved the proposed expansion and a change in the maximum aggregate enrollment to 140. No further information requested.

Next review: September 2027
Maximum class size: 72 (includes main campus and 3 distant campuses)

Page 2 of 2

September 2004
The commission acknowledged the report documenting the clinical educational equivalency of the program at the branch campus in Clearfield, PA, and the main campus.

September 2003
The commission accepted the report documenting the didactic educational equivalency of the program at the branch campus in Clearfield, PA, and the main campus.

September-December 2001
The commission approved an increase in enrollment from 60 to 84 and acknowledged the distant campus in Clearfield, PA. Reports due July 15, 2003 and July 15, 2004 (documentation of educational equivalency in didactic year [2003] and clinical year [2004]).

March 2001
The commission accepted the report addressing standards I B 1 c (3) and I B 1 d (1st edition). No further information requested.

The commission did not acknowledge and did not approve the proposal of the Corrections Medicine Track as it appeared to be a separate program.
