Rutgers University (formerly the University of Medicine and Dentistry of New Jersey)
Accreditation History

First accredited: March 1976
Next review: September 2026
Maximum class size: 50

September 2018 (Rutgers University)
The commission accepted the report regarding SCPEs in family medicine. No further information requested.

September 2017 (July Meeting)
Program Change: Change in class size (50 to 52), effective August 2017. The commission approved the one-time temporary increase in class size to accommodate incoming students from another PA program. No further information requested.

March 2017
The commission accepted the report addressing standard B3.07a (4th edition). Additional information regarding supervised clinical practice experiences (SCPEs) in family medicine due July 2, 2018.

September 2016

March 2014
Accreditation-Administrative Probation. The Annual Report was due December 31, 2013. It was not submitted until January 3, 2014. Administrative-Probation removed.

The commission accepted the report addressing standards A2.02a and A2.10 (4th edition). No further information requested.

September 2013
The commission found the program’s May report addressing the organizational structure and standard A2.02a (4th edition) unacceptable. A warning letter was issued as the commission found the required report submitted by a program to be deficient, and that the ARC-PA has serious concerns about the quality of the program and that the program’s future accreditation status may be in jeopardy. Report due February 1, 2014 (standards A2.02a, A2.10; 4th edition).

The commission reviewed the program’s annual report and noted a concern with the organizational structure and standard A2.02a; 4th edition. Report due May 15, 2013.

March 2013 (Rutgers University)
Program Change: Change in program sponsorship (transfer of UMDNJ PA Program to Rutgers University as the result of a State educational restructuring act enacted by NJ Governor, Chris Christie, in June 2012), effective July 1, 2013. The commission acknowledged the proposed change. No further information requested.

September 2010 (University of Medicine and Dentistry of New Jersey)
The commission accepted the report addressing standards B3.04d and B6.01d (3rd edition).
