University of Iowa
Accreditation History

First accredited: February 1973
Next review: March 2023
Maximum class size: 25

September 2017
The commission did not accept the mSSR. No further information requested (Self-Study Report due in 2019).

May 2016

September 2014
Program Change: Change in graduation requirements (105 to 113 credits) and change in length of program (from 25 to 28 months), both effective August 1, 2014. The commission acknowledged the proposed changes and requested report (data on first cohort that completes new curriculum [modified Self-Study Report, mSSR]) by August 1, 2016. [Due date was later changed to April 14, 2017.]

March 2014
The commission accepted the report regarding the website and portal. No further information requested.

September 2013

The program’s website did not identify the accreditation status (standard A3.14a) and the Program Management Portal did not identify all principal faculty (standard A2.02). Report due as soon as corrections made.

March 2013

March 2007
The commission accepted the report providing the form and plan update. No further information requested.

September 2006

March 2006
First accredited: February 1973
Next review: March 2023
Maximum class size: 25
