March and June 2019

Adverse Action-Accreditation-Probation. The commission did not acknowledge the Change in Graduation Requirements form. A focused site visit will need to occur in advance of the June 2019 commission meeting as the program made substantive curriculum changes without informing ARC-PA as per ARC-PA policy. The Reconsideration Review Panel upheld the commission’s decision. The commission will review findings of the focused site visit at its June 2019 meeting.
