Drexel University
Accreditation History

First accredited: September 1972
Next review: September 2025
Maximum class size: 100
Page 1 of 2

March 2016
The commission acknowledged the report providing evidence of
  • Updated SCPEs in the Portal. No further information requested.

September 2015
Accreditation-Continued; Next Comprehensive Evaluation: September 2025. Maximum class size: 100. The commission noted zero areas of noncompliance with the Standards.
Report due October 16, 2015
  • Update supervised clinical practice experiences (SCPEs) in the Program Management Portal.

September 2008
Accreditation-Continued; Next Comprehensive Evaluation: September 2015. Maximum Student Capacity: 300. The commission noted zero areas of noncompliance with the Standards.

September 2003
The commission accepted the report addressing 2nd edition
  • Standard A5.1 (provided evidence announcements and advertising accurately reflect the program offered) and
  • Standard C2.2c (provided evidence critical analysis of outcome data includes student failure rates in individual courses and rotations). No further information requested.

March 2003
The commission accepted the report providing evidence of
  • Clarification of faculty responsible for research courses. No further information requested.

September 2002
Report due July 15, 2003 (Standards, 2nd edition) -
  • Standard A5.1 (lacked evidence announcements and advertising accurately reflect the program offered) and
  • Standard C2.2c (lacked evidence critical analysis of outcome data includes student failure rates in individual courses and rotations).

Program Change: Change in degree awarded (baccalaureate to master’s curriculum). The commission acknowledged the proposed change. Additional information (clarification of faculty responsible for research courses) due January 15, 2003.
