Slippery Rock University
Accreditation History

First accredited: March 2016
Next review: March 2020
Maximum class size: 52/52/52

June 2019
The commission accepted the report providing evidence of
- How stated preferences are factored into admissions decisions. No further information requested.

March 2019
The commission accepted the report addressing 4th edition
- Standard A1.03a (provided evidence the sponsoring institution is responsible for supporting the planning by program faculty in program assessment),
- Standard A3.13 ([provided evidence the program announcements and advertising accurately reflect the program offered],
- Standard A3.15a (provided evidence the program publishes admission and enrollment practices that favor specified individuals or groups),
- Standard A3.16 (provided evidence that student admission decisions are made in accordance with clearly defined and published practices of the institution and program) and
- Standard B1.08 (provided evidence the curriculum includes opportunities for students to apply principles of interprofessional practice in interprofessional teams).

Additional information (evidence of how stated preferences are factored into admissions decisions) due March 20, 2019.

June 2018 (following Provisional Monitoring review)
Accreditation-Provisional; Next Comprehensive Evaluation: March 2020 (Final Provisional). The program’s maximum class size remains 52 for the third class.
Report due September 1, 2018 (Standards, 4th edition) -
- Standard A1.03a (lacked evidence the sponsoring institution is responsible for supporting the planning by program faculty in program assessment),
- Standard A3.13 ([lacked evidence the program announcements and advertising accurately reflect the program offered],
- Standard A3.15a (lacked evidence the program publishes admission and enrollment practices that favor specified individuals or groups),
- Standard A3.16 (lacked evidence that student admission decisions are made in accordance with clearly defined and published practices of the institution and program) and
- Standard B1.08 (lacked evidence the curriculum includes opportunities for students to apply principles of interprofessional practice in interprofessional teams).

July 2016
The commission accepted the report addressing 4th edition
- Standard A3.08 (provided evidence the program informs students of written policies addressing student exposure to infectious and environmental hazards before students undertake any educational activities that would place them at risk). No further information requested.
