Thomas Jefferson University, East Falls
(formerly Philadelphia University)
Accreditation History

First accredited: October 1996
Next review: March 2028
Maximum class size: 99
Page 1 of 3

June 2019
Program Change: Change in class size (92 to 99, effective July 1, 2019, to 109, effective July 1 2020 and to 120, effective July 1, 2021). The commission approved the proposed change. No further information requested.

March 2019
Program Change: Change in class size (92 to 99, effective July 2019, to 109, effective July 2020 and to 120, effective July 2021). The commission did not approve the change (lacked evidence of sufficient supervised clinical practice experience sites).

Program Change: Relocation of distant campus (from Atlantic City to Voorhees, NJ), effective July 2019. The commission acknowledged the proposed relocation. No further information requested.

June 2018
The commission accepted the report addressing 4th edition

- Standard B2.08 (provided evidence the program curriculum includes instruction in response to illness, injury and stress). No further information requested.

The commission acknowledged the report providing evidence of

- Updated website. No further information requested.
Program notified PANCE report on the website was inconsistent with the information in the Program Management Portal. Program reminded Portal should be updated to be consistent with the website.

March 2018
Accreditation-Continued; Next Comprehensive Evaluation: March 2028. Maximum class size remains 92 (52-main campus + 40-distant campus).
Report due April 15, 2018

- Update program website with PANCE Pass Rate Summary Report.
Due May 15, 2018 (Standards, 4th edition) -

- Standard B2.08 (lacked evidence the program curriculum includes instruction in response to illness, injury and stress).

July 2017
Program Change (Change in Sponsorship): Change in sponsoring institution (transfer from Philadelphia University to Thomas Jefferson University), effective July 1, 2017. The commission acknowledged the transfer. No further information requested.

2014  
Update regarding Distant Campus: Scheduled to begin operation the second week of July 2015. Maximum class size in Program Management Portal updated to 92 students (40 at the distant campus).

March 2012  
The commission accepted the report providing evidence of  
   • Documentation ensuring PA students no longer serve on the Academic and Professional Standards Review Committee. No further information requested.

September 2011  
The commission accepted the report addressing 3rd/4th edition  
NOTE: The review was conducted as the ARC-PA was transitioning from the 3rd to 4th edition of the Standards. The citations listing reflects the 3rd edition of the Standards and the corresponding standard in the 4th edition.  
   • Standards A3.05/A3.16 (provided evidence that admission of students is made in accordance with clearly defined and published practices of the institution and program),  
   • Standards A3.10/A3.20 (provided evidence that PA students do not have access to the records or other confidential information of other PA students),  
   • Standards B7.03a/B3.03a (provided evidence the program documents that every student has supervised clinical practice experiences with patients seeking medical care across the life span),  
   • Standards B7.05a-g/B3.07a-f (provided evidence supervised clinical practice experiences occur with residency trained physicians or other licensed health care professionals experienced in a) emergency medicine, b) family medicine, c) general internal medicine, d) general surgery, e) general pediatrics, f) psychiatry and g) obstetrics & gynecology) and  
   • Standard C3.04 (provided evidence the program assesses and documents student demonstration of professional behaviors).  
Additional information (documentation ensuring PA students no longer serve on the Academic and Professional Standards Review Committee) due December 31, 2011.

Program Change: Expansion to a distant campus (Atlantic City, NJ), effective July 1, 2012. The commission accepted the report. Additional information (clinical sites and faculty) due July 1, 2012.

March 2011  
Report due July 1, 2011 (Standards, 3rd/4th edition) -
