September 2019
Report due December 11, 2019 (Standards, 4th edition) -
- **Standard A1.03g** (lacked evidence the sponsoring institution is responsible for addressing appropriate security and personal safety measures for PA students when instruction occurs at supervised clinical practice experience [SCPEs] sites) and
- **Standard B3.06a** (lacked evidence of SCPEs with physicians specialty board certified in their area of instruction).
Report due June 17, 2020 (Standards, 4th edition) -
- **Standard B3.07c** (lacked evidence of SCPEs with preceptors practicing in general surgery) and
- **Standard C3.01** (lacked evidence the evaluation of students related to supervised clinical education components assessed the program’s learning outcomes).
Report due June 17, 2021 (Standards, 5th edition) –
- **Standards C2.01b, d-e** modified Self-Study Report (lacked evidence of a self-study report that documents b) results of critical analysis from the ongoing self-assessment, d) modifications that occurred as a result of self-assessment and e) self-identified program strengths and areas in need of improvement).

March 2017
The program received an alert through the Program Management Portal that the number of students exceeded the maximum entering class size. The program submitted the required Exceeding Class Size report. The commission accepted the report. No further information requested.

April 2016
The program was notified of a change in the accreditation process (due to increase in program applications, commission meetings, in addition to March and September, to be conducted). Program’s next validation review changed from September 2018 to September 2019 due to this change.

September 2011
Accreditation-Continued; Next Comprehensive Evaluation: September 2018. Maximum Student Capacity: 120. The commission noted zero areas of noncompliance with the Standards.

September 2005
The commission acknowledged the report providing evidence of
- Analysis of student failure rates No further information requested.

Program Change: Increase in maximum aggregate student enrollment (80 to 120). The commission acknowledged the proposed change. No further information requested.
D'Youville College  
Accreditation History

First accredited: September 1994  
Next review: September 2029  
Maximum class size: 40  
Page 2 of 2

March 2005  
The commission acknowledged the report addressing 2nd edition  
- **Standard A5.1** (provided evidence announcements and advertising accurately reflect the program offered) and  
- **Standard C2.2c** (provided evidence the self-study report includes critical analysis of student failure rates in individual courses and rotations).  

Additional information (analysis of student failure rates) due July 15, 2005.

September 2004  
Report due January 14, 2005 (*Standards, 2nd edition*) -  
- **Standard A5.1** (lacked evidence announcements and advertising accurately reflect the program offered) and  
- **Standard C2.2c** (lacked evidence the self-study report includes critical analysis of student failure rates in individual courses and rotations).

December 2001  
The commission accepted the report addressing 1st edition  
- **Standard I D 1 c** (lacked evidence academic costs to the student are accurately stated, published, and made known to all students),  
- **Standards I E 1 a and b** (lacked evidence the self-study report adequately analyzes a) student attrition and b) student failure rates in individual courses and rotations) and  
- **Standard I E 3** (lacked evidence of implementation of the self-evaluation process). No further information requested.

September 2000  
Report due July 15, 2001 (*Standards, 1st edition*) -  
- **Standard I D 1 c** (lacked evidence academic costs to the student are accurately stated, published, and made known to all students),  
- **Standards I E 1 a and b** (lacked evidence the self-study report adequately analyzes a) student attrition and b) student failure rates in individual courses and rotations) and  
- **Standard I E 3** (lacked evidence of implementation of the self-evaluation process).

NOTE: The ARC-PA commission action information available begins in September 2000. Information from initial accreditation in 1994 by CAAHEP is not available.
