Westfield State University
Accreditation History

First accredited: September 2017
Next review: TBD
Maximum class size: 30

Page 1 of 2

June 2020
The program received an alert through the Program Management Portal that the number of students exceeded the maximum entering class size. The program submitted the required Exceeding Class Size report. The commission **accepted the report**. No further information requested.

March 2020 (following Provisional Monitoring review)
Accreditation-Provisional; Next Comprehensive Evaluation: TBD (Final Provisional). The program’s maximum class size remains 30 for the third class.

Report due June 1, 2020 (*Standards, 4th edition*) -
- **Standard B3.03a** (lacked evidence of clearly defined learning outcomes for students in supervised clinical practice experiences with adults seeking medical care) and
- **Standard C3.01** (lacked evidence that student evaluations in the supervised clinical education practice curriculum parallel the required learning outcomes).

March 2018
The commission **accepted the report** addressing 4th edition
- **Standard B1.05** (lacked evidence of the curriculum including instruction in intellectual honesty and appropriate academic conduct),
- **Standard B1.09** (lacked evidence for each clinical course, the program defines and publishes instructional objectives that guide student acquisition of required competencies),
- **Standard B2.12** (lacked evidence the program curriculum includes instruction in disease prevention and disease surveillance, reporting and intervention),
- **Standard B3.02** (lacked evidence that supervised clinical practice experiences [SCPEs] enable students to meet program expectations and acquire competencies needed for entry into clinical practice),
- **Standards B3.03a-d** (provided evidence that SCPEs enable each student to meet program expectations and acquire competencies needed for entry into clinical practice with patients seeking a) medical care across the life span, b) women’s health, c) surgical management and d) behavioral and mental health conditions) and
- **Standard D1.04** (provided evidence of a complete curriculum for the clinical year). No further information requested.

September 2017
Accreditation-Provisional; Next Comprehensive Evaluation: March 2020 (Provisional Monitoring). The program is approved for up to 24 students in the first class of students, 30 in the second class and 30 in the third class.

Report due November 23, 2017 (*Standards, 4th edition*) -
- **Standard B1.05** (lacked evidence of the curriculum including instruction in intellectual honesty and appropriate academic conduct),
- **Standard B1.09** (lacked evidence for each clinical course, the program defines and publishes instructional objectives that guide student acquisition of required competencies),
- **Standard B2.12** (lacked evidence the program curriculum includes instruction in disease prevention and disease surveillance, reporting and intervention),
