June 2020
The commission acknowledged the report providing evidence of
- The proposed plan in response to COVID-19. No further information requested.

September 2018 (following Final Provisional review)
Report due June 15, 2020 (Standards, 4th edition) -
  - **Standard C2.01c** (lacked evidence of a self-study report that faculty evaluation of the curricular and administrative aspects of the program).

September 2017
The commission accepted the report addressing 4th edition
  - **Standard C3.04** (provided evidence the program conducts and documents a summative evaluation of each student within the final four months of the program to verify that each student is prepared to enter clinical practice). No further information requested.

The commission accepted the report providing evidence of
  - Clarification from faculty senate minutes. No further information requested.

March 2017
The commission accepted the report addressing 4th edition
  - **Standard A2.04** (provided evidence principal faculty have academic appointments and privileges comparable to other faculty with similar academic responsibilities in the institution),
  - **Standard A3.14b** (provided evidence the program defines, publishes and makes readily available to enrolled and prospective students the program’s success in achieving its goals),
  - **Standard B1.05** (provided evidence of the curriculum including instruction in intellectual honesty and appropriate academic and professional conduct),
  - **Standard B2.12** (provided evidence the program curriculum includes instruction in the prevention of disease and maintenance of population health or participation in disease surveillance, reporting and intervention) and
  - **Standard B3.07d** (provided evidence of supervised clinical practice experiences with preceptors practicing in pediatrics).

Additional information (clarification of faculty senate minutes) due May 1, 2017.

September-November 2016 (following Provisional Monitoring review)
Adverse Action-Accreditation-Probation; Next Comprehensive Review: September 2018 (Final Provisional). The program is approved to accept up to 26 students per class. The program appealed the commission’s decision. The Reconsideration Review Panel upheld the accreditation status of Accreditation-Probation.
Report due December 31, 2016 (Standards, 4th edition) -
  - **Standard A2.04** (lacked evidence principal faculty have academic appointments and privileges comparable to other faculty with similar academic responsibilities in the institution),
