University of South Florida
Accreditation History

First accredited: September 2016
Next review: March 2021
Maximum class size: 50

June 2020
The commission acknowledged the report providing evidence of
- The proposed plan in response to COVID-19.
Additional information (updates on class of 2021 and hiring of an AA and follow-up for the class of 2020 on graduation; confirmation all students met all program and supervised clinical practice experience learning outcomes and completed summative testing) due July 15, 2020.

September 2019
The commission accepted the report addressing 4\textsuperscript{th} edition
- \textit{Standard B3.02} (provided evidence of supervised clinical practice experiences [SCPEs] enabling students to meet the program’s learning outcomes), and
- \textit{Standards B3.03a-d} (provided evidence of defined learning outcomes and verification that SCPEs enabled all students to meet the program’s learning outcomes for patients seeking a) medical care across the life span, b) women’s health, c) surgical management and d) behavioral and mental health conditions). No further information requested.

March 2019 (following Provisional Monitoring review)
Accreditation-Provisional; Next Comprehensive Evaluation: March 2021 (Final Provisional). Maximum entering class size remains 50 for the third class.
Report due May 17, 2019 (\textit{Standards}, 4\textsuperscript{th} edition) -
- \textit{Standard B3.02} (lacked evidence of supervised clinical practice experiences [SCPEs] enabling students to meet the program’s learning outcomes), and
- \textit{Standards B3.03a-d} (lacked evidence of defined learning outcomes and verification that SCPEs enabled all students to meet the program’s learning outcomes for patients seeking a) medical care across the life span, b) women’s health, c) surgical management and d) behavioral and mental health conditions).

March 2017
The commission accepted the report addressing 4\textsuperscript{th} edition
- \textit{Standard A1.03f} (provided evidence the sponsoring institution ensures that all PA personnel and student policies are consistent with federal regulations) and
- \textit{Standard A3.17c} (provided evidence that requirements for progression in and completion of the program were readily available to students upon admission). No further information requested.

September 2016
Accreditation-Provisional; Next Comprehensive Evaluation: March 2019 (Provisional Monitoring). The program is approved for up to 30 students in the first class, 40 in the second class and 50 in the third class.
Report due February 1, 2017 (\textit{Standards}, 4\textsuperscript{th} edition) -
- \textit{Standard A1.03f} (lacked evidence the sponsoring institution ensures that all PA personnel and student policies are consistent with federal regulations) and
First accredited: September 2016
Next review: March 2021
Maximum class size: 50

- *Standard A3.17c* (lacked evidence that requirements for progression in and completion of the program were readily available to students upon admission).
