June 2021
Accreditation-Provisional; Next Comprehensive Evaluation: TBD (Provisional Monitoring). The program is approved for a maximum class size of 45.
Report due March 15, 2022 (Standards, 5th edition) -

- **Standards B4.01a-b** (lacked evidence the program will conduct student evaluations in the supervised clinical practice experience components with a) clear parallels between what is expected, taught and assessed and b) allows the program to address student deficiencies in a timely manner).

No report due (Standards, 5th edition) –

- **Standard A3.12d** (lacked evidence at the time of the site visit the program defines, publishes and makes readily available to enrolled and prospective students general program information to include all required curricular components; corrected subsequent to the visit) and

- **Standard C1.01d** (lacked evidence at the time of the site visit the program defines its ongoing self-assessment process; will be addressed in provisional monitoring application).
