September 2021
Adverse Action-Accreditation-Probation. A focused site visit will need to occur in advance of the March 2022 commission meeting and a focused probation site visit will need to occur in advance of the September 2023 commission meeting. The maximum approved class size is 35 students per class. The program did not appeal the commission’s decision.

Report due November 18, 2021 (Standards, 5th edition) -

- **Standard A1.02c-d** (lacked evidence the sponsoring institution is responsible for c) ensuring effective program leadership and d) complying with ARC-PA accreditation Standards and policies),
- **Standard A1.04** (lacked evidence the sponsoring institution provides academic support and student services to PA students that are equivalent to those services provided to other comparable students of the institution),
- **Standard A2.12** (lacked evidence the medical director is an active participant in the program),
- **Standard A2.14** (lacked evidence there are sufficient didactic instructional faculty to provide student instruction),
- **Standard A2.18a** (lacked evidence the program has at least a 1.0 FTE administrative support position dedicated exclusively to the program),
- **Standard A3.17b, d** (lacked evidence student academic records include documentation b) the student has met institution and program health screening and immunization requirements and d) of remediation efforts and outcomes) and
- **Standard C2.01a-c** (lacked evidence the program maintains effective processes for the initial evaluation of all sites to be used for supervised clinical practice experiences to ensure students have access to a) physical facilities, b) patient populations and c) supervision).

Report due December 9, 2021:

- **Standard A1.07** (lacked evidence the sponsoring institution provides the program with the human resources needed to operate the educational program) and
- **Standard A2.03** (lacked evidence principal faculty are sufficient in number to manage program administrative responsibilities).

March 2021
The commission accepted the report addressing 5th edition

- **Standard A2.11b** (provided evidence the medical director is certified by an ABMS- or AOA-approved specialty board) and
- **Standard A3.13e** (provided evidence the program makes readily available to prospective students technical standards for enrollment). No further information requested.

September 2020
Accreditation-Provisional; Next Comprehensive Evaluation: TBD (Provisional Monitoring). The program is approved for up to 35 students in the first class of students, 35 in the second class and 45 in the third class.

Report due November 15, 2020 (Standards, 5th edition)
