Trine University
Accreditation History

First accredited: March 2018
Next review: March 2023
Maximum class size: 36

September 2021
The commission did not accept the report addressing 5th edition

- **Standard A3.13a** (lacked evidence the program makes readily available to prospective students admission related information regarding admission and enrollment practices that favor specified individuals or groups)
- **Standard A3.14** (lacked evidence the program makes admission decisions in accordance with published practices)
- **Standard B4.01a-b** (lacked evidence student assessment in the supervised clinical practice experience components a) aligns with what is expected of students and taught and b) allows the program to identify and address any student deficiencies timely).

Additional information (acceptable response) due December 20, 2021.

June 2021
