

Larkin University Accreditation History

First accredited: June 2025

Next review: TBD

Maximum class size: 50

Page 1 of 1

June 2025

Accreditation-Provisional; Program has not yet enrolled students but plans and resource allocation, if fully implemented as planned, demonstrate the probability to meet the ARC-PA *Standards*. The commission noted 6 areas of noncompliance with the *Standards*.

Next Comprehensive Evaluation: TBD (Provisional Monitoring). Maximum class size: 50.

Report due October 20, 2025 (*Standards*, 5th edition):

- **Standard A3.15b** (lacked evidence the program defines, publishes, consistently applies and makes readily available to students upon admission requirements and deadlines for progression in and completion of the program)
- **Standard A3.15c** (lacked evidence the program defines, publishes, consistently applies and makes readily available to students upon admission policies and procedures for remediation and deceleration)
- **Standard B3.06a** (lacked evidence supervised clinical practice experiences occur with physicians who are specialty board certified in their area of instruction)
- **Standard B4.01a** (lacked evidence the program conducts frequent, objective and documented evaluations of student performance in meeting the program's learning outcomes and instructional objectives for both didactic and supervised clinical practice experience components and that align with what is expected and taught)
- **Standard B4.01b** (lacked evidence the program conducts frequent, objective and documented evaluations of student performance in meeting the program's learning outcomes and instructional objectives for both didactic and supervised clinical practice experience components and that allow the program to identify and address any student deficiencies in a timely manner)

No report due (commission expects program to submit all reports and documents as required by the ARC-PA with the initial submission):

- **Standard D1.01b** (lacked evidence that based on the qualifications outlined in the Standards, the program has a medical director appointed by the institution on a permanent basis at least 15 months prior to the date of the scheduled site visit)
