

University of Detroit - Mercy Accreditation History

First accredited: September 1972

Next review: September 2029

Maximum class size: 60

Page 1 of 3

March 2021

The commission **accepted the report** providing evidence of

- Program defined expectations for learning outcomes with preventive, emergent, acute, and chronic patient encounters, and, care across the life span, care for women's health, for surgical conditions and for behavioral and mental health conditions, the evaluation tools addressing the encounters and the process identifying and addressing deficiencies in student attainment of the program expectations. No further information requested.

The commission **accepted the report** providing evidence of

- Changes in response to COVID-19. No further information requested.

September 2020

The program's PANCE pass rate percentage was 85% or less for its 2019 cohort. The program submitted the required analysis of PANCE performance. The commission **accepted the report**. No further information requested.

June 2020

The commission **acknowledged the report** providing evidence of

- The proposed plan in response to COVID-19.

Additional information (program defined expectations for learning outcomes with preventive, emergent, acute, and chronic patient encounters, and, care across the life span, care for women's health, for surgical conditions and for behavioral and mental health conditions, the evaluation tools addressing the encounters and the process identifying and addressing deficiencies in student attainment of the program expectations) due May 18, 2020.

March 2020

The commission **accepted the report** addressing 4th edition

- **Standard A3.19a** (provided evidence that student files include documentation that the student has met published admission criteria including advanced placement if awarded) and
- **Standard C3.01** (provided evidence the program conducts frequent, objective and documented evaluations of students related to learning outcomes for the supervised clinical education components).

Additional information (clear learning outcomes and the process identifying how the learning outcomes are evaluated individually) due February 3, 2020.

June 2019

Accreditation-Continued; Next Comprehensive Evaluation: June 2029. Maximum Entering Class Size: 60.

Report due November 11, 2019 (*Standards*, 4th edition) -

- **Standard A3.19a** (lacked evidence that student files include documentation that the student has met published admission criteria including advanced placement if awarded) and

- **Standard C3.01** (lacked evidence the program conducts frequent, objective and documented evaluations of students related to learning outcomes for the supervised clinical education components).

Due August 15, 2021 (*Standards*, 4th edition) -

- **Standards C2.01b-f**, modified self-study report (lacked evidence of a self-study report that documents b) results of critical analysis from the ongoing self-assessment, c) faculty evaluation of the curricular and administrative aspects of the program, d) modifications that occurred as a result of self-assessment, e) self-identified program strengths and areas in need of improvement and f) plans for addressing areas needing improvement).

March 2017

Program Change: Increase in Class Size, incremental (40 to 50, effective August 2017, to 60, effective August 2018, to 70, effective August 2019 and to 80, effective August 2020). The commission **approved the proposed change**. No further information requested.

September 2016

The commission **acknowledged the report** providing evidence of

- Updated SCPEs in the Portal. No further information requested.

The commission **accepted the report** providing evidence of

- The year-one class size and the updated SCPEs. Additional information (update SCPEs in the portal) due August 8, 2016.

The commission **acknowledged the report** providing evidence of

- Updated website. No further information requested.

April 2016

The program was notified of a change in the accreditation process (due to increase in program applications, commission meetings, in addition to March and September, to be conducted). Program's next validation review changed from September 2018 to September 2019 due to this change.

March 2016

Program Change: Change in class size, incremental (40 to 55, effective August 2016, to 70, effective August 2017 and to 90, effective August 2018). The commission **did not approve the proposed change**.

Report due May 6, 2016

- Explanation of discrepancy between approved year one class size and the number reflected in the Program Management Portal and
- Update the supervised clinical practice experience (SCPE) tab in the Portal.

Due May 20, 2016

- Update website with accreditation status and success in achieving goals.

March 2012

The commission **accepted the report** addressing 4th edition

- **Standards A3.14b and f** (provided evidence the program defines, publishes and makes readily available to enrolled and prospective students b) the success of the program in achieving its goals and f) estimates of all costs [tuition, fees, etc.] related to the program). No further information requested.

September 2011

Accreditation-Continued; Next Comprehensive Evaluation: September 2018. Maximum Student Capacity: 100.

Report due December 31, 2011 (*Standards*, 4th edition) -

- **Standards A3.14b and f** (lacked evidence the program defines, publishes and makes readily available to enrolled and prospective students b) the success of the program in achieving its goals and f) estimates of all costs [tuition, fees, etc.] related to the program).

September 2004

Accreditation-Continued; Next Comprehensive Evaluation: September 2011. Maximum Student Capacity: 100. The commission noted zero areas of noncompliance with the *Standards*.

September 1997

Accreditation-Continued; Next Comprehensive Evaluation: September 2004.

NOTE: The ARC-PA commission action information available begins in September 1997. Information from initial accreditation in 1972 by the American Medical Association Council on Medical Education and subsequent accrediting organizations is not available.
