### September 2022

Accreditation-Provisional; Next Comprehensive Evaluation: March 2025 (Provisional Monitoring). The program is approved for up to 40 students.

Report due December 22, 2022 (*Standards*, 5<sup>th</sup> edition) -

- **Standard A1.01** (lacked evidence that when more than one institution is involved in the provision of academic and/or clinical education, responsibilities of the respective institutions for instruction and supervision of students are clearly described and documented in a manner signifying agreement by the involved institutions)
- **Standard A2.14** (lacked evidence that in addition to the principal faculty, there is sufficient didactic instructional faculty to provide students with the necessary attention and instruction to acquire the knowledge, skills, and competencies required for entry into the profession)
- **Standard B3.06c** (lacked evidence supervised clinical practice experiences occur with c) other licensed health care providers qualified in their area of instruction)

No report due for the following citation(s) (commission expects program to submit all reports and documents as required by the ARC-PA with the initial submission):

- **Standard B4.01a** (lacked evidence that program planned to conduct frequent, objective and documented student assessment in the supervised clinical practice experience (SCPE) components to a) align with what is expected and taught; corrected subsequent to the visit)
