September 2023

Accreditation-Provisional; Next Comprehensive Evaluation: TBD (Provisional Monitoring). The program is approved for a maximum class size of 30.

Report due February 1, 2024 (*Standards*, 5th edition):

- **Standard B4.01a** (lacked evidence the program conducts frequent, objective and documented evaluations of student performance in meeting the program's learning outcomes and instructional objectives for both didactic and supervised clinical practice experience components that align with what is expected and taught)
- **Standard B4.01b** (lacked evidence the program conducts frequent, objective and documented evaluations of student performance in meeting the program's learning outcomes and instructional objectives for both didactic and supervised clinical practice experience components that allow the program to identify and address any student deficiencies in a timely manner)

No report required:

- **Standard D1.03** (lacked evidence that prior to the ARC-PA provisional comprehensive evaluation site visit, the program has a complete and institution-approved curriculum and has established evaluation methods for all didactic and clinical components of the program)
- **Standard E1.03** (lacked evidence the program submits reports or documents as required by the ARC-PA)
