March 2023

Adverse Action-Accreditation-Probation; A focused probation visit will occur in advance of the March 2025 commission meeting. The program's maximum class size remains 36. The program did not appeal the commission's decision.

Report due October 1, 2023 (*Standards*, 5th edition):

- **Standard A1.02d** (lacked evidence the sponsoring institution is responsible for complying with ARC-PA accreditation Standards and policies)
- **Standard A1.02i** (lacked evidence the sponsoring institution is responsible for defining, publishing, making readily available and consistently applying to faculty, its policies and procedures for processing faculty grievances and allegations of harassment)
- **Standard A1.07** (lacked evidence the sponsoring institution provides the program with the human resources, including sufficient faculty, administrative and technical staff, necessary to operate the educational program, comply with the Standards, and fulfill obligations to matriculating and enrolled students)
- **Standard A1.11a** (lacked evidence the sponsoring institution demonstrates its commitment to student, faculty and staff diversity, equity and inclusion by supporting the program in defining its goal(s) for diversity, equity and inclusion)
- **Standard A1.11b** (lacked evidence the sponsoring institution demonstrates its commitment to student, faculty and staff diversity and inclusion by supporting the program in implementing recruitment strategies)
- **Standard A1.11c** (lacked evidence the sponsoring institution demonstrates its commitment to student, faculty and staff diversity and inclusion by supporting the program in implementing retention strategies)
- **Standard A2.03** (lacked evidence principal faculty is sufficient in number to meet the academic needs of enrolled students and manage the administrative responsibilities consistent with the complexity of the program)
- **Standard A2.09d** (lacked evidence program director is knowledgeable about and responsible for continuous programmatic review and analysis)
- **Standard A2.09g** (lacked evidence program director is knowledgeable about and responsible for completion of ARC-PA required documents)
- **Standard A3.15f** (lacked evidence program defines, publishes, consistently applies and makes readily available to students upon admission policies and procedures for allegations of student mistreatment)
- **Standard B1.02** (lacked evidence the curriculum design reflects content and course sequencing that builds upon previously achieved student learning)
- **Standard B1.03** (lacked evidence that for each didactic and clinical course (including required and elective rotations), the program defines and publishes learning outcomes and instructional objectives, in measurable terms that can be assessed, and that guide student acquisition of required competencies)
- **Standard B2.08c** (lacked evidence curriculum includes instruction in pre-, intra-, and post-operative care)
- **Standard B2.11a** (lacked evidence the curriculum includes instruction in death, dying and loss)

areas of social and behavioral sciences and their application to clinical practice)

- **Standard B3.01** (lacked evidence program secures clinical sites and preceptors in sufficient numbers to allow all students to meet the program's learning outcomes for supervised clinical practice experiences)
- **Standard B3.06a** (lacked evidence supervised clinical practice experiences occur with physicians who are specialty board certified in their area of instruction)

Report due May 23, 2024 (*Standards*, 5th edition):

- **Standards C1.02b, C1.02c.i, C1.02c.ii, C1.02c.iii, C1.03** modified Self-Study Report (lacked evidence program implements its ongoing self-assessment process by performing critical analysis of data and by applying the results leading to conclusions that identify program strengths, areas in need of improvement, and action plans; and lacked evidence the program's self-study report accurately and succinctly documents the application and results of ongoing program self-assessment)

No report due (commission expects program to submit all reports and documents as required by the ARC-PA with the initial submission):

- **Standard A1.01** (lacked evidence that when more than one institution is involved in the provision of academic and/or clinical education, responsibilities of the respective institutions for instruction and supervision of students are clearly described and documented in a manner signifying agreement by the involved institutions)
- **Standard A3.12c** (lacked evidence program defines, publishes and makes readily available to enrolled and prospective students general program information to include the most current annual NCCPA PANCE Exam Performance Summary Report Last 5 Year provided by the NCCPA through its program portal, no later than April first each year)
- **Standard E1.03** (the program did not submit documents as required by the ARC-PA)

September 2022

The commission **accepted** the report providing evidence of

- resubmission of response to B4.01b, appending SCPE program expected learning outcomes and evaluation tools for each required rotation and description of how the program aligns the evaluation tools with the SCPE learning outcomes and "instructional objectives" as defined by the program, allowing for identification of specific student deficiencies in a timely manner. No further information requested or

No further information requested.

March 2022

The commission **reviewed and requested more information** of the report addressing 5th edition

- **Standard A3.13a** (provided evidence the program makes readily available to prospective students admission related information regarding admission and enrollment practices that favor specified individuals or groups) and
- **Standard A3.14** (provided evidence the program makes admission decisions in accordance with published practices).
- **Standard B4.01b** (lacked evidence the program conducts frequent, objective and documented evaluations of student performance in meeting the program's learning outcomes and

instructional objectives for both didactic and supervised clinical practice experience components that allow the program to identify and address any student deficiencies in a timely manner)

Additional information (resubmission of response to B4.01b, appending SCPE program expected learning outcomes and evaluation tools for each required rotation and description of how the program aligns the evaluation tools with the SCPE learning outcomes and “instructional objectives” as defined by the program, allowing for identification of specific student deficiencies in a timely manner.) due May 10, 2022.

The program received an alert through the Program Management Portal that the number of students exceeded the maximum entering class size. The program submitted the required Exceeding Class Size report. The commission **accepted the report**. No further information requested.

September 2021

The commission **did not accept** the report addressing 5th edition

- **Standard A3.13a** (lacked evidence the program makes readily available to prospective students admission related information regarding admission and enrollment practices that favor specified individuals or groups) and
- **Standard A3.14** (lacked evidence the program makes admission decisions in accordance with published practices).
- **Standard B4.01b** (lacked evidence the program conducts frequent, objective and documented evaluations of student performance in meeting the program’s learning outcomes and instructional objectives for both didactic and supervised clinical practice experience components that allow the program to identify and address any student deficiencies in a timely manner)

Additional information (description of the program’s admissions processes that favor specified individuals or groups and the URL(s) for the web page(s) that defines these processes, description of how the program makes admission decisions in accordance with published practices including web link and rubric tools, and SCPE expected learning outcomes and evaluation tools for each required rotation) due December 20, 2021.

June 2021

The commission **acknowledged the report** providing evidence of

- Updates to the program’s website. No further information requested.

March 2021 (following Provisional Monitoring review)

Accreditation-Provisional; Next Comprehensive Evaluation: March 2023 (Final Provisional). Maximum class size: 36.

Report due April 1, 2021 (*Standards*, 5^h edition) -

- **Standard A3.12c** (lacked evidence the most current annual NCCPA PANCE Exam Performance Summary Report is published on the program website).

Report due May 16, 2021 (*Standards*, 5^h edition) -

- **Standard A3.13** (lacked evidence the program makes readily available to prospective students

admission related information regarding admission and enrollment practices that favor specified individuals or groups) and

- **Standard A3.14** (lacked evidence the program makes admission decisions in accordance with published practices).
- **Standard B4.01b** (lacked evidence the program conducts frequent, objective and documented evaluations of student performance in meeting the program's learning outcomes and instructional objectives for both didactic and supervised clinical practice experience components that allow the program to identify and address any student deficiencies in a timely manner)

No report due (commission expects program to submit all reports and documents as required by the ARC-PA with the initial submission):

- **Standard C1.03** (lacked evidence the program prepared a self-study report as part of the application for accreditation that accurately and succinctly documents the process, application and results of ongoing program self-assessment)

June 2020

The commission **acknowledged the report** providing evidence of

- The proposed plan in response to COVID-19. No further information requested.

June 2018

The commission **accepted the report** addressing 4th edition

- **Standards B3.06a-b** (provided evidence of supervised clinical practice experiences with a) physicians specialty board certified in their area of instruction and b) PAs teamed with physicians who are specialty board certified in their area of instruction). No further information requested.

March 2018

Accreditation-Provisional; Next Comprehensive Evaluation: March 2021 (Provisional Monitoring). The program is approved for up to 28 students in the first class of students, 32 in the second class and 36 in the third class.

Report due June 29, 2018 (*Standards*, 4th edition) -

- **Standards B3.06a-b** (lacked evidence of supervised clinical practice experiences with a) physicians specialty board certified in their area of instruction and b) PAs teamed with physicians who are specialty board certified in their area of instruction).
