

Mount St. Mary's University Accreditation History

First accredited: June 2025

Next review: April 2028

Maximum class size: 46

Page 1 of 1

January 2026

The commission accepted the report addressing 5th edition

- **Standard B1.03e** (provided evidence that for each didactic and clinical course [including required and elective rotations], the program defines and publishes for students in syllabi or appendix to the syllabi, learning outcomes and instructional objectives, in measurable terms that can be assessed, that guide student acquisition of required competencies)
- **Standard D1.04e** (provided evidence the program has a course syllabus for each course and rotation offered in the program that has detailed information including learning outcomes and instructional objectives)

No further information required.

June 2025

Accreditation-Provisional; Program has not yet enrolled students but plans and resource allocation, if fully implemented as planned, demonstrate the probability to meet the ARC-PA *Standards*. The commission noted 2 areas of noncompliance with the *Standards*.

Next Comprehensive Evaluation: TBD (Provisional Monitoring). Maximum class size: 46.

Report due September 15, 2025 (*Standards*, 5th edition):

- **Standard B1.03e** (lacked evidence that for each didactic and clinical course [including required and elective rotations], the program defines and publishes for students in syllabi or appendix to the syllabi, learning outcomes and instructional objectives, in measurable terms that can be assessed, that guide student acquisition of required competencies)
- **Standard D1.04e** (lacked evidence the program has a course syllabus for each course and rotation offered in the program that has detailed information including learning outcomes and instructional objectives)
