July 2026

Accreditation-Provisional; Program has not yet enrolled students but plans and resource allocation, if fully implemented as planned, demonstrate the probability to meet the ARC-PA *Standards*. The commission noted 5 areas of noncompliance with the *Standards* and 1 new commission observation. Next Comprehensive Evaluation: TBD (Provisional Monitoring). The program is approved for a maximum class size of 40.

Report due April 30, 2027 (*Standards*, 5th edition-program will respond in 6th):

- **Standard A3.15b** (lacked evidence the program defines, publishes, consistently applies and makes readily available to students upon admission requirements and deadlines for progression in and completion of the program)
- **Standard B1.03e** (lacked evidence that for each didactic and clinical course [including required and elective rotations], the program defines and publishes for students in syllabi or appendix to the syllabi, learning outcomes and instructional objectives, in measurable terms that can be assessed, that guide student acquisition of required competencies)
- **Standard B4.01a** (lacked evidence the program conducts frequent, objective and documented evaluations of student performance in meeting the program's learning outcomes and instructional objectives for both didactic and supervised clinical practice experience components and that align with what is expected and taught)
- **Standard B4.01b** (lacked evidence the program conducts frequent, objective and documented evaluations of student performance in meeting the program's learning outcomes and instructional objectives for both didactic and supervised clinical practice experience components and that allow the program to identify and address any student deficiencies in a timely manner)
- **Standard D1.04e** (lacked evidence the program has a course syllabus for each course and rotation offered in the program that has detailed information including learning outcomes and instructional objectives)

Commission observation response due September 30, 2026 (*Standards*, 5th edition-program will respond in 6th):

- **Standard A3.15c** (lacked evidence the program defines, publishes, consistently applies and makes readily available to students upon admission policies and procedures for remediation and deceleration)
