

St. Luke's Emergency Medicine Advanced Practitioner Fellowship Program Accreditation History

First accredited: June 2023

Next review: June 2033

Maximum class size per cohort: 3

Number of cohorts per year: 1

Page 1 of 2

June 2026

Accreditation-Clinical Postgraduate Program; Program has demonstrated continued and sufficient compliance with the ARC-PA *Standards* after completion of the provisional review process. The commission noted one (1) area of noncompliance with the *Standards*.

Next Comprehensive Evaluation: June 2033. The program is approved for up to 3 students per cohort with 1 entering cohort per year.

Report due October 5, 2026 (NP & PA Residency Program Accreditation *Standards*, 1st edition):

- **Standard 1.5** (lacked evidence the program administrator has sufficient time and resources to fulfill the role and responsibilities)

June 2024

The commission **accepted the report** providing evidence of

- Description of how the program aligns assessment of procedures and skill sets with what the program expects of a PA trainee during clinical experiences and expected learning outcomes that must be attained by each PA trainee at the completion of each rotation

No further information requested.

March 2024

The commission Reviewed and More Information Requested from the report addressing 3rd edition

- **Standard A4.06** (provided evidence the program clearly defines and publishes the admission requirements and practices upon which admissions decisions are made)
- **Standard A4.09b** (provided evidence policies and practices that favor specific groups of applicants in the admissions process are defined, published, and readily available to prospective and enrolled PA trainees)
- **Standard B1.09** (lacked evidence the program assures that the volume and variety of clinical experiences provides for a sufficient number and distribution of appropriate experiences/cases for each PA trainee in the program to meet defined program expected learning outcomes)

Additional information (description of how the program aligns assessment of procedures and skill sets with what the program expects of a PA trainee during clinical experiences and expected learning outcomes that must be attained by each PA trainee at the completion of each rotation) due by February 21, 2024.

June 2023

Accreditation-Clinical Postgraduate Program; Next Comprehensive Evaluation: June 2026. The program is approved for up to three (3) students per cohort with 1 entering cohort per year.

Report due October 1, 2023 (*Standards*, 3rd edition):

- **Standard A4.06** (lacked evidence the program clearly defines and publishes the admission requirements and practices upon which admissions decisions are made)
- **Standard A4.09b** (lacked evidence policies and practices that favor specific groups of applicants in the admissions process are defined, published, and readily available to prospective and enrolled PA trainees)
