Michigan State University
Accreditation History

First accredited: September 2021
Next review: October 2036
Maximum class size: 38

October 2026 (following Final Provisional review)
Accreditation-Continued; Program has demonstrated continued and sufficient compliance with the ARC-PA *Standards* after completion of the provisional review process. The commission noted three (3) areas of noncompliance with the *Standards*.
Next Comprehensive Evaluation: October 2036. Maximum class size: 38.
Report due August 30, 2019:

- Update accreditation status statement and NCCPA PANCE Pass Rate Summary Report on website.

Report due January 11, 2027 (*Standards*, 5th edition-program will respond in 6th):

- ***Standard B4.01a*** (lacked evidence the program conducts frequent, objective and documented evaluations of student performance in meeting the program's learning outcomes and instructional objectives for both didactic and supervised clinical practice experience components and that align with what is expected and taught)
- ***Standard B4.01b*** (lacked evidence the program conducts frequent, objective and documented evaluations of student performance in meeting the program's learning outcomes and instructional objectives for both didactic and supervised clinical practice experience components and that allow the program to identify and address any student deficiencies in a timely manner)
- ***Standard B4.03a*** (lacked evidence the program conducts and documents a summative evaluation of each student within the final four months of the program to verify that each student meets the program competencies required to enter clinical practice, including clinical and technical skills)

June 2025
The commission **accepted** the report addressing 5th edition

- ***Standard A3.14*** (provided evidence the program makes student admission decisions in accordance with clearly defined and published practices of the institution and program)

No further information requested.

September 2024 (following Provisional Monitoring review)
Accreditation-Provisional; Program demonstrates continued progress in complying with the *Standards* as it prepares for the graduation of the first class of students. The commission noted 2 areas of noncompliance with the *Standards*.
Next Comprehensive Evaluation: September 2026 (Final Provisional). Maximum class size: 38.

Report due November 15, 2024 (*Standards*, 5th edition):

- ***Standard A3.14*** (lacked evidence the program makes student admission decisions in accordance with clearly defined and published practices of the institution and program)

No report due (commission expects program to submit all reports and documents as required by the ARC-PA with the initial submission):

- ***Standard E1.03*** (lacked evidence program submits reports or documents as required by the ARC-PA)

June 2022

Michigan State University
Accreditation History

The commission **accepted** the report addressing 5th edition

- ***Standard B4.01a*** (provided evidence student assessment in the supervised clinical practice experience components aligns with what is expected and taught).

No further information requested.
