October 2026

Accreditation-Provisional; Program has not yet enrolled students but plans and resource allocation, if fully implemented as planned, demonstrated the probability to meet the ARC-PA *Standards.* The commission noted three (3) areas of noncompliance with the *Standards*.
Next Comprehensive Evaluation: TBD (Provisional Monitoring). Maximum class size: 40.
Report due April 19, 2027 (*Standards*, 6th edition):

- ***Standard B4.01a*** (lacked evidence the program conducts frequent, objective and documented evaluations of student performance in meeting the program's learning outcomes and instructional objectives for both didactic and supervised clinical practice experience components and that align with what is expected and taught)
- ***Standard B4.01b*** (lacked evidence the program conducts frequent, objective and documented evaluations of student performance in meeting the program's learning outcomes and instructional objectives for both didactic and supervised clinical practice experience components and that allow the program to identify and address any student deficiencies in a timely manner)
- ***Standard C2.01b*** (lacked evidence the program defines and maintains effective processes and documents the initial and ongoing evaluation of all sites and preceptors used for supervised clinical practice experiences, to ensure students are able to fulfill program learning outcomes with access to patient populations)
