Next review: October 2036
Maximum class size: 45

October 2026 (following Final Provisional review)
Accreditation-Continued; Program has demonstrated continued and sufficient compliance with the ARC-PA *Standards* after completion of the provisional review process. The commission noted four (4) areas of noncompliance with the *Standards*.
Next Comprehensive Evaluation: October 2036. Maximum class size: 45.
Report due November 1, 2027 (*Standards*, 5th edition-program will respond in 6th):

- ***Standard B4.03*** (lacked evidence the program conducts and documents a summative evaluation of each student within the final four months of the program to verify that each student meets the program competencies required to enter clinical practice, including clinical and technical skills, clinical reasoning and problem-solving abilities, interpersonal skills, medical knowledge, and professional behaviors)
- ***Standard C1.01d*** (lacked evidence program defines its ongoing self-assessment process that is designed to document program effectiveness and foster program improvement and addresses preparation of graduates to achieve program defined competencies)
- ***Standard C1.02b*** (lacked evidence the program implements its ongoing self-assessment process by performing critical analysis of data)
- ***Standard C1.03*** (lacked evidence the program prepares a self-study report as part of the application for accreditation that accurately and succinctly documents the process, application and results of ongoing program self-assessment)

The program's graduation rate was 85% or lower for the classes of 2024 and 2025. The program submitted the Student Graduation Rate Required Report. The commission **did not accept the report**. The program is required to resubmit the Student Graduation Rate Required Report for the Classes of 2024 and 2025 no later than February 21, 2027.

September 2024 (following Provisional Monitoring review)
Accreditation-Provisional; Program demonstrates continued progress in complying with the *Standards* as it prepares for the graduation of the first class of students. Next Comprehensive Evaluation: September 2026 (Final Provisional). Maximum class size: 45.
The commission noted one area of noncompliance with the *Standards*.
No report due (commission expects program to submit all reports and documents as required by the ARC-PA with the initial submission):

- ***Standard C1.03*** (lacked evidence the program prepares a self-study report as part of the application for accreditation that accurately and succinctly documents the process, application and results of ongoing program self-assessment and follows the guidelines provided by the ARC-PA)

June 2022
The commission **accepted** the report addressing 5th edition

- ***Standards B4.01a-b*** (provided evidence the program will conduct student evaluations in the supervised clinical practice experience components with a) clear parallels between what is expected, taught and assessed and b) allows the program to address student deficiencies in a timely manner).
