University of Arkansas
Accreditation History

First accredited: March 2013
Next review: October 2036
Maximum class size: 40

October 2026

Accreditation-Continued; Program has demonstrated continued and sufficient compliance with the ARC-PA *Standards*. The commission noted one (1) area of noncompliance with the *Standards*.
Next Comprehensive Evaluation: October 2036. Maximum class size: 40.
Report due December 15, 2026:

- Update Graduation Rate Table on website.

Report due December 15, 2026 (*Standards*, 5th edition-program will respond in 6th):

- ***Standard A3.15c*** (lacked evidence the program defines, publishes, consistently applies and makes readily available to students upon admission policies and procedures for remediation and deceleration)

March 2024

The program's PANCE pass rate percentage was 85% or less for its 2022 cohort. The program submitted the required analysis of PANCE performance. The commission **accepted the report**. No further information requested.

March 2021

The commission **accepted the report** providing evidence of

- Confirmation all students in the class of 2020 met all program and supervised clinical practice experience learning outcomes and completed summative testing. No further information requested.

June 2020

The commission **acknowledged the report** providing evidence of

- The proposed plan in response to COVID-19.

Additional information (follow-up for the class of 2020 on graduation; confirmation all students met all program and supervised clinical practice experience learning outcomes and completed summative testing) due October 1, 2020.

September 2016 (following Final Provisional review)

Accreditation-Continued; Next Comprehensive Evaluation: September 2026. Maximum class size: 40.
The commission noted zero areas of noncompliance with the *Standards.*

March 2016

The commission **accepted the report** providing evidence of

- Program-defined requirements for ob/gyn and general surgery. No further information requested.

September 2015

The commission **accepted the report** addressing 4th edition

- ***Standards B3.03a-d*** (provided evidence of supervised clinical practice experiences [SCPEs] providing sufficient patient exposure with patients seeking a) medical care across the life span, b) women's health, c) surgical management and d) behavioral and mental health conditions).

University of Arkansas
Accreditation History

Additional information (lacked evidence of program-defined requirements for ob/gyn and general surgery) due January 29, 2016**.**

March 2015 (following Provisional Monitoring review)
Accreditation-Provisional; Next Comprehensive Evaluation: September 2016 (Final Provisional).
Maximum class size: 40.
Report due August 1, 2015 (*Standards*, 4th edition) -

- ***Standards B3.03a-d*** (lacked evidence of supervised clinical practice experiences [SCPEs] providing sufficient patient exposure with patients seeking a) medical care across the life span, b) women's health, c) surgical management and d) behavioral and mental health conditions).

March 2013
Accreditation-Provisional; Next Comprehensive Evaluation: March 2015 (Provisional Monitoring). The program is approved for up to 26 students in the first class of students, 30 in the second class and 40 in the third class.
No report due (*Standards*, 4th edition) -

- ***Standard A3.14f*** (lacked evidence at the time of the site visit that estimates of all costs related to the program were published on the website; corrected subsequent to the visit).
